

Gun Violence Prevention Challenge Summit & Hack-a-thon

April 13 – 15, 2018 | Boston, Massachusetts

As Creative Director, Ben is actively involved in the day-to-day design, management and company vision. With over 30 years of professional design experience in consulting and corporate design/innovation, Ben and his work has received numerous design awards including IF Design, Red Dot, Good Design, ID Magazine, IDSA/IDEA to name a few. He completed his Bachelor of Industrial Design from Rhode Island School of Design, with participation in European Honors Program, Rome, and adjunct study at Brown University. Also, a frequent guest at RISD, MIT, WIT, MassArt and IDSA.

His proven design leadership and unique process has resulted in over 50 design and utility patents worldwide. He and his work have been featured in Time Magazine, Fortune, WSJ, Newsweek, and INNOVATION. Eleven LLC and its *Powers of Perspectives* is a multi-disciplined design agency working with Fortune 100 Corporations, Start-ups, New Ventures and NGOs. Its unique process and business model allows for paradigm shifting innovation in a wide range of industry categories.
